My little ballroom baby  
You're as pretty as you can be  
Your pleasure leaves a smile into winklin' eyes  
Or even mighty darn high with gleam

[Chorus]

My little ballroom baby  
My little ballroom baby  
My little ballroom baby  
Come along and dance with me

When I take you in my arms  
And we glide across the floor  
Well, I hate to hear that music stop  
I wanna dance with you some more

[Chorus]

My little ballroom baby  
You're the apple of my eye  
Your ruby red lips and shakily hips  
Are teasin' all the other guys

[Chorus]

When I look into my future  
Do you know just what I see  
I see the cutest little ballroom baby  
And she's fallin' in love with me

[Chorus]
