Manny don't need no comforting  
He don't ask of the world to bring him up  
Ain't gonna see him waitin' on waitin' on  
Waitin' on the day  
Got him a chair in '73  
It was his only option  
So manny agreed  
Same chair he has today  
Since they threw the cane away  
Manny wasn't doing nothing  
He just doing his own thing  
You know it getting pretty cold out  
By the jub jub swing

Oh this friend today  
Right me up  
Oh this friend today  
Right me up  
I'm not so weak

Manny gonna go where the rabble go  
He gonna roll down the world  
And he bring me up  
Ain't going to see him  
Giving into the others way  
Cause they may beat us in search  
But our fall is unstained  
You know he says it won't be long  
Till we are up again  
Having another swing  
And manny wasn't doing nothing  
He just doing his own thing  
Yah know it gettin' pretty cold  
But he the one who bring

Oh this friend today  
Right me up  
Oh this friend today  
Right me up  
I'm not so weak

'cause the bottles not empty  
'cause your voices are all there  
My life will fight in my body for air  
'cause the bottle's not empty  
'cause your voices are all there  
My life will fight in my body for air

Oh this friend today  
Right me up  
Oh this friend today  
Right me up  
I'm not so weak

Manny we gonna get that a.m. dial just right  
I'll hold that hanger up  
As long as the sox put up a fight
