Doctor what can I do?  
My hay fever is not breaking  
Take two of the green and four of the blue  
But don't call me in the morning

We are over tired  
And we are where you're from  
We have occupied  
May we explain

That who so highest  
Burn the brightest  
But I'm still staring  
Yes, I'm still staring

Who so highest  
Burn the brightest  
But I'm still staring  
Yes, I'm still staring  
Yes, I'm still staring

Cause he's a Big Man  
He's going off to hide away  
Oh, he's such a Big Man  
Oh, going off to hide away

They cannot help themselves  
Chose Icharus to Solomon.  
Mirror mirror on the Wall Street  
Looks straight to Washington  
And they're all gettin' away with murder  
Oh, murder's gettin' away  
'Til the vender set himself on fire  
Set fire to the day

That who so highest  
Burn the brightest  
I'm still staring  
Yes, I'm still staring

Who so highest

Burn the brightest  
But I'm still staring  
Yes, I'm still staring  
Yes, I'm still staring

Cause he's a Big Man  
Mirror, mirror on the wall...  
Who's the richest of them all  
Oh, he's such a Big Man  
Mirror, mirror on the wall...  
Who's the richest of them all

Someone's gotta take the fall  
Someone's gotta take the fall  
Someone's gotta take the fall  
Cause the devil gonna dance 'til the music stop  
Oh, the devil gonna dance 'til the music stop  
Oh, the devil gonna dance 'til the music

"The law locks up the hapless felon  
Who steals the goose from off the common  
But lets the greater felon loose  
Who steals the common from the goose"

Someone's gotta take the fall  
Someone's gotta take the fall  
Someone's gotta take the fall  
Cause the devil gonna dance 'til the music stop  
Oh, the devil gonna dance 'til the music stop  
Oh, the devil gonna dance 'til the music
