Whoa, a little love at Caesar's  
Whoa, you know I love to please her  
Whoa, a little love at Caesar's goes so far

Whoa, a little love at Caesar's  
Whoa, whoa, whoa, you know I love to please her  
Whoa, a little love at Caesar's goes so far

Hope I get a little snack tonight  
Hope I get a little smack tonight  
I'll be starving

Standing in the broad day light  
Just waitin' on the comin' of the night  
24-hour diner's almost closed  
All I need's a cup of Joe 'cause she's so nice

She treats me like I tip her from my head to her toes  
Brings me in my water with her skirt so high  
I catch a little glimpse in the silverware shine

I ain't no thief 'cause that just ain't right  
But I ain't got no money  
And I intend to pay for my meal tonight

Whoa, a little love at Caesar's  
Whoa, you know I love to please her  
Whoa, a little love at Caesar's goes so far

Whoa a little love at Caesar's  
Whoa whoa whoa you know I love to please her  
Whoa a little love at Caesar's goes so far

She's got a tattooed tongue, she loves to abuse  
You can tell that she's good by the language that she  
use  
She says, "Meet you in the bathroom at a quarter to  
two"

Hey, you know what you must do  
'Cause the flood gate's open, your hips are getting  
loose

You got a rocket in your pocket 'cause you don't know  
what to do

So go, whoa, she says, "I betcha that I can take all of  
your soul"  
You say, "Put your money where your mouth is and let  
all be told"

Whoa, a little love at Caesar's  
Whoa, you know I love to please her  
Whoa, a little love at Caesar's goes so far

Whoa, a little love at Caesar's  
Whoa, whoa, whoa, you know I love to please her  
Whoa, a little love at Caesar's goes so far

They got crayons on the place mats  
Refried beans, don't give me half-and-half  
Just whip up my cream

Gimme some flapjacks and slap on the butter  
Corned-beef-hash, my mind is in the gutter  
Heavy with the syrup, heavy with the grease  
My foots in the stirrup, just do as you please

Whoa, a little love at Caesar's  
Whoa, you know I love to please her  
Whoa, a little love at Caesar's goes so far

Whoa, a little love at Caesar's  
Whoa, whoa, whoa, you know I love to please her  
Whoa, a little love at Caesar's goes so far
