Run

I run to catch the bus  
The bus just passes by  
And it starts to rain

Soaked  
And left in my despair  
Life just isn't fair  
That way

I've got to run, run, run  
A little bit faster  
Get a little bit further  
Go a little bit farther

Run  
I run to catch the bus  
The bus just passes by  
And I start to cry

The tears roll down  
Leave my face and hit the ground  
I'm so lost  
I can't be found  
And I shout out loud

Run  
And I feel  
And it hurts  
Like I can't get up  
But I can  
And I will  
And I won't ever stop  
It's impossible

God, why are you doing this to me?  
Are you blind?  
Why can't you see?  
Don't you care for me?

Just let me run, run, run...
