space cadet escape response  
revealing the tendency to survive  
crash course with fate  
rookie made big mistakes

dream to merge space and time

proven track record we see  
a home to countless many  
just beyond our view  
just beyond our view

interstellar academy  
sophomoric actions  
indefinite acrobat  
beyond earth  
proven track record we see  
a home to countless many  
just beyond our view  
just beyond our view

floating away

proven track record we see  
a home to countless many  
just beyond our view  
just beyond our view
