Visit "[So Weird](#)" on MotoLyrics.com

it's so weird i still live here
it's so weird i still know you
so weird i still love you
so weird i'm still alive.

every day i awake
and i'm truly amazed
i made it another day.

i'm too afraid to kill myself
and too afraid to really live.

every day is the same
every night is the same
so weird i ended up here

every kiss is the same
every love is the same
so weird i ended up here

so weird i still lie here
so weird i can't talk
so weird i can't move
so weird i'm still alive.
if i were to leave this place
tonight and not turn back
i'd end up where i started

i'm too afraid to kill myself
and too afraid to really love.

every day is the same
every night is the same
so weird i ended up here

every drug is the same
every fight is the same
so weird i never change

every kiss is the same
every love is the same
so weird i ended up here

every day is the same
every night is the same
so weird i never change
