Diddy:]---
Last night,
I couldn't even get an answer.
Tried to call,
But my pride wouldn't let me dial.
And I'm sitting here,
With this blank expression.
And the way I feel,
I wanna curl up like a child.

[Pharrell:]---
Yessir, yo, yo, uh, ah-uh, ah-uh
(This is the remix)
Picture the song
Picture my life and my intention to ball
Picture the sights and how it glitter for y'all
Now don't you feel ?????close to perfect???? when a
chick is involved
She changed you life, and your frame of mind
Sorry, I hope what I'm sayin is fine
We fuss but we take it one day at a time
If there's a fire you know that she'd lay in the line
And I just, close my eyes and curve my mouth
Open my mind and words come out
You're eclectic, you're creative
You the picture, girl, I just painted
I gotta get it and its all paid for
Big castle on the seashore
With the wind, the walk, and decor
How this sound, mister and missus skateboard?
P.

[Keyshia:]---
If I told you once, I told you twice,
You can see it in my eyes.
I'm all cried out,
With nothing to say.
You're everything I wanted to be.
If you could only see,
Your heart belongs to me.
I love you so much, I'm yearning for your touch.

Come and set me free,
Forever yours I'll be,
Baby won't you come and take this pain away.

[Diddy:]---
Last night,
I couldn't even get an answer.
Tried to call,
But my pride wouldn't let me dial.
And I'm sitting here,
With this blank expression.
And the way I feel,
I wanna curl up like a child.

[T.I.:]---
Let me get you where I want you, your best nightgown
Yeah I had a lotta women, you the best I've found
If I offered you the chance you'd neglect like how?
With my hands like damn and my neck like wow
Lebanese, puerto rican, like brown
Said they heard I'm the king, wanna test my crown
Swerve on things with the 'Vette top down
I'm the realest, one the dealest to ever rep my town
So if you ever wanna get it off your chest I'm down
How fly does a G5 jet ride sound
Triple black ???fan'll switch??? your S5 down
Now your girl wanna talk about sex right now
Trying to hate them other rappers who respect my style
How I kiss her on the legs while I undress, lie down
I wanna see you with your hair let down
And your body soaking wet on the bed, stretched out
T.I.P.

[Keyshia:]---
I need you,
And you need me.
This is so plain to see,
And I will never let you go and,
I will always love you so.
I will.
If you could only see,
Your heart belongs to me.
I love you so much, I'm yearning for your touch.
Come and set me free,
Forever yours I'll be,
Baby won't you come and take this pain away.

[Diddy:]---
Last night,
I couldn't even get an answer.
Tried to call,

But my pride wouldn't let me dial.
And I'm sitting here,
With this blank expression.
And the way I feel,
I wanna curl up like a child.

[Keyshia:]---
Why don't you pick the phone,
And dial up my number,
And call me a baby,
I'm waiting on you.
Why don't you pick the phone,
And dial up my number,
Just call me a baby,
I'm waiting on you.
