Diddy
Lil' Kim, Get Out Here Man

[Lil' Kim:]
Bounce Like That, Like I've Never Been Gone
I Can Played Out Just Like The Big Song
Every Few Seconds I Hear My Ring Tone
Should I Answer Or Should I Ignore
Just Like The Club Out In Atl
Message In Blackberry And My Cell
Go Outside And Check The Voicemail
Nig**S Cause Im Mad As Hell, But That's How I Feel
Sometimes You Left Me
Didn't Call Or Even Text Me
I Tried To Love But You Reject Me
Its Obvious You Don't Respect Me
If You Need More I Can Not Lie,
You Made Me Laugh And You Made Me Cry
Now I See You With Teary Eyes
Now You Know How I Feel Inside

[Keyshia:]

If I Told You Once, I Told You Twice,
You Can See It In My Eyes
I'm All Cried Out,
With Nothing To Say
You're Everything I Wanted To Be
If You Could Only See,
Your Heart Belongs To Me
I Love You So Much, I'm Yearning For Your Touch
Come And Set Me Free,
Forever Yours I'll Be,
Baby Won't You Come And Take This Pain Away

[Diddy:]

Last Night (Oh Last Night)
I Couldn't Even Get An Answer (You Said You Couldn't
Get An Answer, Baby)
Tried To Call,
But My Pride Wouldn't Let Me Dial (But That Should
Never Stop You)
And I'm Sitting Here (Sitting There)
With This Blank Expression (I've Been Reaching My
Baby)
And The Way I Feel (The Way I Feel)
I Wanna Curl Up Like A Child

[Diddy:]

Tell Me The Words To Say,
To Make You Come Back,
And Work Me Like That.
And If It Matters I'll Rather Stay Home,
With You I'm Never Alone.
Don't Want To Wait Till You're Gone,
Let Me Be, Just Don't Leave Me.

[Lil' Kim:]

I Got It Like That, You Didn't Visit Me,
Not One Letter Got Sent To Me
He Was In The Streets P-I-M-P
Playing Big Sh** Like Mr. C
It's So Childish How We Act
'aint Gotta Call You, Call You Right Back
Take That Bitch, She Wants You Right Now
