One thought one misconception
You hold my body close
I think I'm losing my grip
I think I'm losing control
Your fear is my obsession
Kind hearts inside are cold
I think I'm losing my grip
I think I'm losing control

These interests kill me and looks they heal my wounds
But why this time spent wasted
And I feel your pain right now
I think I'm falling down
I'm wasting all my patience on you

Unmask your hidden passions
This masquerade grows old
I think I'm losing my grip
I think I'm losing control
Deaf ears fall hard on silence attempted shock
I know I think I'm losing my grip
I think I'm losing control

These interests kills me and looks they heal my wounds
But why this time spent wasted
And I feel your pain right now
I think I'm falling down
I'm wasting all my patience on you
I'm losing
We can have tonight
