Drink up, baby, down
Are you in or are you out?
Leave your things behind
'Cause it's all going off without you

Excuse me, too busy
You're writing your tragedy
These mishaps you bubble-wrap when
You've no idea who you're like

Let go, so, let go
And then jump in
And oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown

Let go, so, let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown

It gains the more it gives
And then it fantasies with the poor
So honey back for more
Now can't you see that all that stuff's essential?

Such boundless pleasure
We've no time for later now
You can't await
You roll your eyes means
You've twenty seconds to comply

Let go, so, let go
And then jump in
And oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown

Let go, so, let go
Just get in
And oh, it's so amazing here

And it's all right
Because there's beauty in the breakdown

In ya head
Ya head
In ya head
Ya head

Drink up, baby, down
Are you in or are you out?
You can't wait
You roll your eyes
Twenty second to comply

So, let go
And then jump in
And oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown

Let go, so, let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown

Let go, so, let go
And then jump in
And oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdown

Let go, so, let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown
