Blind to the answers
Find yourself
Walk for the moment
Find the reason in yourself
There's a reason
There's a reason for you and I
There's a reason
There's a reason for you and I

Take this time to find a meaning
A reason to sit back and measure the worst six years of
my life

Waiting for your legs to close on my best friends
Last night I saw your life flash before my eyes

Why did I laugh so hard baby?
You won't be back
I never meant to hurt you
But I did
And I'm sorry that you cried so hard darling
You won't be back
I'll never hurt you again

Take this time to find your tongue
A sorry excuse to stop your lies
The best thirty seconds of my life
My angel take your pills
My angel I sold your ring
And now you're speechless and I can't stop laughing

Why did I laugh so hard baby?
You won't be back and I'm still laughing
I never meant to hurt you
But I did
And I'm sorry that you cried so hard darling
You won't be back
I'll never hurt you again

You

Why did I laugh so hard baby?
You won't be back and I'm still laughing
I never meant to hurt you
But I did
And I'm sorry that you cried so hard darling
You won't be back
I'll never hurt you again

I didn't want it this way
I didn't want it this way
I didn't want it this way
I didn't want it this way

Well I hope that you are happy where you are
And I'm glad to say I put you there
Well I put you there
Well who's the one who's laughing now?
I'm the one who's laughing now, yeah
Well I hope that you are happy where you are
And I'm glad to say I put you there
Well I put you there
