

A Static Lullaby

"Toy On The Shelf"

You and me deserve to be here without you here
I couldn't see myself anywhere
Just a toy on the shelf

Switch your roll tight
Put your hands in the air
I just can't see
Lets be fair
I don't want to make things harder then they are
You're not playing by the rules
I still can't see bitter cold
And when you go outside I will be there
Oh I'll be there

I can't wait to get out there without you here
I couldn't see myself anywhere
Just a toy on the shelf

Rethink your priorities
I have all them straight in line
Music comes first
I will say this every single fucking time
