Ah, ah, ah

Don't cry for me

'Cause there's one thing I found out

I can live without you every day

And I'm better off with you far away from me

Ah, ah, ah

Don't break your heart

Thinkin' you have let me down

In the light of day I can see what's real

And now I know what I really feel for you

Ah, ah, ah

If I'm wrong, you can smile and say I told you so

But I've got that feelin' that I found that you can lie

So don't cry for me

You will only waste your time

Thinkin' I'm in tears, for you're here no more

But the tears won't come and I'll cry no more for you

Ah, ah, ah

If I'm wrong, you can smile and say I told you so

But I've got that feelin' that I found that you can lie

So don't cry for me

You will only waste your time

Thinkin' I'm in tears, for you're here no more

But the tears won't come and I'll cry no more for you

Ah, ah, ah
