Just out of reach

Time has changed you, I can see

Try to remember how we used to be

Come on back to me

Just out of reach

Don't stand back and you will see

Just how easy it can be

But you stand contentedly

Just out of reach

Time will show that I mean what I say

You'll see, you'll see

You'll wonder why you doubted my work

When our love was meant to be

Come on home, you'll be glad

Back here I won't be mad

Funny you should be the one to make me feel sad

Just out of reach

Just out of reach

Time will show that I mean what I say

You'll see, you'll see

You'll wonder why you doubted my work

When our love was meant to be

Come on home, you'll be glad

Back here I won't be mad

Funny you should be the one to make me feel sad

Just out of reach
