You don't need any reason

Do you, baby, oh?

Baby, you should know

That by now

But if you need a reason

I'll give one to you

Oh, yeah, you make me feel good

Oh, yeah, you make me feel good

I don't need any reason

When I hold you, oh

I never do

Ask myself why

But if you need a reason

I'll give one to you

Oh, yeah, you make me feel good

Oh, yeah, you make me feel good

So good, so good, don't have to justify

Why I feel so good, so good, so good

Never thought could be so good to me

But if you need a reason

I'll give one to you

Oh, yeah, you make me feel good
Oh, yeah, you make me feel good
So good, so good, don't have to justify
Why I feel so good, so good, so good
Never thought could be so good to me
You don't need any reason
Do you baby, oh?
Baby, you should know
That by now
But if you need a reason
I'll give one to you, oh yeah
You make me feel good, oh yeah
You make me feel good
