Santana aye
Mr. Danny Fernandez ya dig?
It's goin down!

I'm curious [x4]
Lady (yeah),
When I walked into the room
(trust me)
I saw you,
You were there with your girls,
All dressed up in dark blue,
Standin' over there
Actin' like it
Ain't about to go down.
And maybe,
If I take you back
To my place then
Just maybe
I can put my hands
On your beautiful body,
Makin' love night and day
Baby it's about to go down.

[Chorus:]
I'm curious
(I wanna know how
You look without your dress)
When your make up's off,
Your hair's a mess
I'm curious
On top of me kissing my chest
Baby I'm curious
(I wanna know how
You look without your dress,
When your make up's off,
Your hair's a mess)
I'm curious
On top of me
Kissing my chest

And baby

(yeah),
Never thought
I'd be the one
To ever say this
(say this)
So excuse my words girl
I just can't resist
(just can't resist).
The way you look tonight
Don't act like it
Ain't about to go down
And baby
(yeah),
When you lick
Your lips like that
It drives me crazy
(so crazy)
That look
In your eyes girl
It's just so sexy
(so sexy)
Close your eyes,
Let it slide
Baby it's about
To go down.

[Chorus:]
I'm curious
(I wanna know how
You look without your dress)
When your make up's off,
Your hair's a mess
I'm curious
On top of me kissing my chest...
Baby I'm curious
(I wanna know how
You look without your dress,
When your make up's off,
Your hair's a mess
I'm curious
On top of me kissing my chest...

I'm curious (ooooh)

[Hook:]
I'm curious to see how
You look underneath that skirt
I wanna peek I wanna see
What I'm 'bout to get myself into
I'm about to get myself into you
Like J Holiday drink sleep snooze

I'm about to go drink
Some ooze superman that hoe
Ha but I'm nothin' like soulja boy
Get your weddin'
And your drink in a plastic cup
And a tea commercial
That wraps it up
Oh now back it up
Like a tractor truck
Smack it up like a spatula
Now tell me who wants pancakes
I want pancakes
We want pancakes

[Chorus:]

I'm curious
(I wanna know how
You look without your dress)
When your make up's off,
Your hair's a mess
I'm curious
On top of me kissing my chest
Baby I'm curious
(I wanna know how
You look without your dress,
When your make up's off,
Your hair's a mess
I'm curious
On top of me kissing my chest
