Before you take another step there's something you
should know
About the years ahead and how they'll be
You'll be living in a world where roses hardly ever grow
'Cause all I have to offer you is me

There'll be no mansions waiting on the hills with crystal
chandeliers
And there'll be no fancy clothes for you to wear
Everything I have is standing here in front of you to see
All I have to offer you is me

Sweetheart, I'll give you all my love in every way I can
But make sure it's what you want while you're still free
The only gold I have for you is in this wedding band
And all I have to offer you is me

There'll be no mansions waiting on the hills with crystal
chandeliers
And there'll be no fancy clothes for you to wear
Everything I have is standing here in front of you to see
All I have to offer you is me, all I have to offer you is me
