Found some letters you wrote me this morning they
told of a love we once knew
Now they're gone I'd burned them to ashes don't want
nothing to remind me of you
Burning bridges behind me it's too late to turn back
now
Burning bridges behind me all I want is to forget you
somehow

Sold the house that we once planned together
Said goodbye to the friends that we once knew
Then I moved to the faraway city trying hard to forget
about you
Burning bridges behind me...
All I want is to forget you somehow
