Tommy's selling used cars, Nancy's fixing hair  
Harvey runs a grocery store and Margaret doesn't care  
Jerry drives a truck for Sears and Charlotte's on the  
make  
And Paul sells life insurance and part time real estate

Helen is a hostess, Frank works at the mill  
Janet teaches grade school and prob'ly always will  
Bob works for the city and Jack's in lab research  
And Peggy plays organ at the Presbyterian Church

And the class of '57 had it's dreams  
Oh, we all thought we'd change the world with our  
great works and deeds  
Or maybe we just thought the world would change to fit  
our needs  
The class of '57 had dreams

Betty runs a trailer park, Jan sells Tupperware  
Randy's on an insane ward and Mary's on welfare  
Charlie took a job with Ford and Joe took Freddie's wife  
Charlotte took a millionaire and Freddie took his life.

John is big in cattle, Ray is deep in debt  
Where Marvis finally wind up is anybody's bet  
Linda married Sonny, Brenda married me  
And the class of all of us is just a part of history

And the class of '57 had it's dreams  
But living life day to day is never like it seems  
Things get complicated when you get past eighteen  
But the class of '57 had its dreams  
Oh, the class of '57 had dreams
