She was standin' in the crowd
All alone and lookin' pretty
Listening to the music that we played
She walked up and whispered
I leaned down and listened
To the request that she made

"Do you know you are my sunshine??
She asked so sweet and tenderly
"Do you know you are my sunshine?
And would you do it one more time for me"

Border to border
And ocean to ocean
I still look for her every place
Chasin' the sunshine
Each and every night I'm
Searchin' every crowd for her face

She was gone just as quick
As the song that she asked for
Takin' my sunshine away
But someday when I finally
Look down and see her
I know, just what I'm going to say

Do you know you are my sunshine?
Do you know what your smile did to me?
Do you know you are my sunshine?
And it looks like you're always going to be

Do you know you are my sunshine?
Do you know what your smile did to me?
Do you know you are my sunshine?
And would you do it one more time for me

Do you know you are my sunshine?
