The longer I know her the more I can tell
My darling's not happy with me
The longer I know that I know her too well
The less love in her eyes I see

'Cause she don't hold and kiss me
Like she did one time
I think my sweet baby's
Got leavin' on her mind

The stronger I hold her the farther apart
my darling is growing from me
The danger of my darling breaking my heart
it's fast movin' in on me

'Cause she don't hold and kiss me
Like she did one time
I think my sweet baby's
Got leavin' on her mind

She don't hold and kiss me
Like she did one time
I think my sweet baby's
Got leavin' on her mind

She don't hold and kiss me
Like she did one time
I think my sweet baby's
Got leavin' on her mind
