There's questions we're always hearing every where  
we go

Like how do I cut a record or get on a country show

Well, it takes more than just ambition and three  
chords on an old guitar

There's a few more things you ought to learn to be a  
country star

You got to learn to sing like Waylon or pick like Jerry  
Reed

Yodel like Jeannie Shepard, write songs like Tom T

Put a cry in your voice like Haggard, learn Spanish  
like Johnny R

Whisper like Bill Andersen and you'll be a country  
star

Play piano like Ronnie Mil sap or Gilly or Jerry Lee

Yo-yo like Roy Acuff or talk plain like Ralph Emery

Growl like Con way Twitty, get a red, white and blue  
guitar

Build a swimming pool like Webb did and you'll be a  
country star

Be tall like Sonny James is, tell jokes like Minnie  
Pearl

Or be short like Jimmy Dickens or play five-string  
like Earl

Get a hip band like Willie, learn to stutter like M-Mel

Get a cap like Roy Clark wore or a voice like Barbara  
Mandrel

Be rich like Eddy Arnold, say you're imakin more  
than you are

Get a gimmick like Charley Pricle got and you'll be a  
country star

But if you have no talent and you're not a male If you're  
built somewhat like Dolly or have a face like

Crystal Gayle

Come back stage and ask for Harold, Phil, Don or Lou

And we'll see you get auditioned for the Statler  
Brothers Review
