If you hurt me you won't be the first or the last  
In the lifetime of many mistakes  
But I won't spend tomorrow regretting the past  
For the chances that I didn't take

'Cause I'll never know till it's over  
If I'm right or I'm wrong loving you  
But I'd rather be sorry for something I've done  
Than for something that I didn't do

When you touch me it's easy to make me believe  
Tomorrow won't take you away  
But I'll gamble whatever tomorrow might bring  
For the love that I'm living today

'Cause I'll never know till it's over  
If I'm right or I'm wrong loving you  
But I'd rather be sorry for something I've done  
Than for something that I didn't do
