Close your eyes close that door you don't have to worry
anymore
Cause I'll be your baby tonight
Dim the lights draw the shades honey you don't have to
be afraid
Caue I'll be your baby tonight everything's all right
Old mockingbird's gonna sail away we'll just forget it
And the big bad moon's gonna shine like a spoon
We're gonna let it you won't regret it
Kick your shoes off mama have no fear bring your
sweet self right over here
Cause I'll be your baby tonight
[harmonica + dobro]
Cause I'll be your baby tonight
