Look at me you can't even look at me  
I don't know what happened to what we used to be  
Look at me you can't even look at me  
How can you say you love me you can't even look at me

You can say you love me and that might ease my pain  
But don't you know you're playin' with my heart  
I know you think love is just some foolish game  
Well this time I've played the loser's part  
Oh look at me...  
[ guitar ]  
You can say you love me...  
Oh look at me...  
You can't even look at me
