The New Year's Eve, we did the town, the day we tore  
the goal post down

We'll have these moments to remember

The quiet walk,s the noisy fun, the ballroom prize we  
almost won

We will have these moments to remember

Though summer turns to winter and the present  
disappears

The laughter we were glad to share will echo through  
the years

Though other nights and other days may find us gone  
our separate ways

We'll have these moments to remember

We'll have these moments to remember
