When I lie down beside you  
And her attentions all on me  
There's nobody else that I would rather be

When I look across the table  
And you're lookin' back at me  
There's nobody else that I would rather be

No picture in the paper  
The moon is our TV  
Nobody in the news are history

When our babies call me Daddy  
And throw their arms 'round me  
There's nobody else that I would rather be

No picture in the paper  
The moon is our TV  
Nobody in the news are history

When our babies call me Daddy  
And throw their arms 'round me  
There's nobody else that I would rather be  
There's nobody else that I would rather be
