Oh, please release me  
And let me love again

Please release me let me go  
I don't love you anymore  
To waste our lives would be a sin  
Release me and let me love again

I have found a new love, dear  
And I will always want her near  
Her lips are warm while yours are cold  
Release me my darling let me go

Please release me let me go  
I don't love you anymore  
To waste our lives would be a sin  
So release me and let me love again

Oh, please release me can't you see  
You'd be a fool to cling to me  
To live a lie would bring us pain  
So release me and let me love again

Release me and let me love again
