Walkin' in the sunshine sing a little sunshine song
Put a smile upon your face as if there's nothing wrong
Think about a good time had a long time ago
Think about forget about your worries and your woes
Walkin' in the sunshine sing a little sunshine song

La la la la la de ho whether the weather be rain or snow
Pretending and make it real a snowy pasture a green in
grass you feel
Walkin' in the sunshine...
[whistle]
La la la la la de ho...
Walkin' in the sunshine sing a little sunshine song
Walkin' in the sunshine sing a little sunshine song
