Everybody knows when you go to the show
You can't take the kids along
You've gotta read the paper and know the code
Of G, PG and R and X
And you gotta know what the movie's about
Before you even go
Tex Ritter's gone and Disney's dead
And the screen is filled with sex

Whatever happened to Randolph Scott
Ridin' the trail alone
Whatever happened to Gene and Tex
And Roy and Rex, the Durango kid
Oh whatever happened to Randolph Scott
His horse, plain as can be
Whatever happened to Randolph Scott
Has happened to the best of me

Everybody's tryin' to make a comment
About our doubts and fears
"True grits" the only movie
I've really understood in years
You gotta take your analyst along
To see if it's fit to see
Whatever happened to Randolph Scott
Has happened to the industry

Whatever happened to Johnny Mack Brown
And Alan Rocky Lane
Whatever happened to Lash Larue
I'd love to see them again
Whatever happened to smiley Burnett
Tim Holt and Gene Audry
Whatever happened to all of these
Has happened to the best of me

Whatever happened to Randolph Scott
Has happened to the industry
