When I stop dreaming that's when I'll stop loving you
The worst that I've ever been hurt in my life the first
time I ever have wanted to die
Was the night when you told me you loved someone
else
And asked me if I could forget
When I stop dreaming that's when I'll stop loving you

You may teach the flowers to bloom in the snow
You may take a pebble and teach it to grow
You may teach all the raindrops to return to the clouds
But you can't teach my heart to forget
When I stop dreaming that's when I'll stop loving you
When I stop dreaming that's when I'll stop loving you
