"When You And I Were Young Maggie"

I wander today to the hill Maggie to watch the scene
below
The creek and the creaking old mill Maggie "as we
used to" long long ago
The green grove is gone from the hill Maggie where
first the daisies sprung
The creaking old mill is still Maggie since you and I
were young
Oh they say that I'm feeble with age Maggie my steps
are much slower than then
My face is a well written page Maggie and time all
alone was the pen
They say we have outlived our time Maggie as they
hear our song that we sung
But to me you're as fair as you were Maggie when you
and I were young
When you and I were young
