MAY-DAY! MAY-DAY!

Can someone please translate this song for me "HALAKAM" I heard it, and i want to know what he's saying.

sounds like a love song, by listening to the tone of voice, but i might be wrong... So, if any one wish to translate i will

be forever grateful! ps. o and if you can write the words in Arabic it will be even better, i would love to do a "sing

along" but please, do not write it in traditional Arabic, cus i won't know how to read or pronounce.
SHUKRAN!
