All around my hat,I will wear the green willow  
And all around my hat  
For a twelve month and a day  
An if anyone should ask me  
The reason why I'm wearing itIt's all for my true love  
Who's far, far away

Fare the well cold winter,  
And fare the well cold frost  
Nothing have I gained  
But my own true love I've lost  
I'll sing and I'll be married  
When occasion I do seek  
She's a false deluded young girl  
Let her go, farewell she

All around my hat,I will wear the green willow  
And all around my hat  
For a twelve month and a day  
An if anyone should ask me  
The reason why I'm wearing itIt's all for my true love  
Who's far, far away

And all around my hat,I will wear the green willow  
And all around my hat  
For a twelve month and a day  
An if anyone should ask me  
The reason why I'm wearing itIt's all for my true love  
Who's far, far away

Last night she bought me  
A fine diamond ring but  
She thought to have deprived me  
Of a far better thing  
But I've being careful  
I'd love us all to see  
She's a false deluded young girl  
Let her go, farewell she

And all around my hat,I will wear the green willow  
And all around my hat  
For a twelve month and a day

An if anyone should ask me  
The reason why I'm wearing itIt's all for my true love  
Who's far, far away
