I want to have you here with me  
To cuddle up so near to me  
And do the things  
You like me to do to you

You like it when I tickle you  
We start to kiss, it pleases you  
It gets so hot  
I just don't know what to do

To take you  
When you're feeling good  
To love you like I know I should  
It makes me feel all are ten feet tall

So I just try to give to you  
All that I can to satisfy you  
I don't like to leave you girl  
Almost but not quite there

So I just try to give to you  
All that I can to satisfy you  
I don't like to leave you girl  
Almost but not quite there

Now when I finally get to you  
I'm gonna put my love to you  
And then I'll see  
Just how good you are

So I've got to have you here with me  
To cuddle up so near to me  
And do the things  
You like me to do to you

'Cause I just try to give to you  
All that I can to satisfy you  
I don't like to leave you girl  
Almost but not quite there
