ROCK'N'ROLL MUSIC

Just let me hear some of that rock'n'roll music
Any old way you choose it
It's got a back beat you can't lose it
Any old way you use it
Gotta be rock'n'roll music
If you wanna dance with me
If you wanna dance with me

I got no kick against modern jazz
Unless they try to play it too damn fast
And change the beauty of the melody
Until it's sounding like a symphony

That's why I go for that rock'n'roll music
Any old way you choose it
It's got a back beat you can't lose it
Any old way you use it
Gotta be rock'n'roll music
If you wanna dance with me
If you wanna dance with me

LOVER PLEASE (Swan - Westminster Music)
Lover please, please come back
Don't take the train coming down the track
Don't please, no, don't leave me
Don't leave me in a-misery

You wouldn't ever come so near
You wouldn't ever call me dear
Don't you know I'd die for you
Now you're gone that's what I'll do

Lover please, please come back
Don't take the train coming down the track
Don't please, don't, don't leave me
Don't leave me in a-misery

THAT'LL BE THE DAY (Allison/Holly/Petty - Southern Music)
Oh that'll be the day when you say goodbye
That'll be the day when you make me cry

You say you're gonna leave, you know it's a lie
'Cos that'll be the day when I die

You give me all your lovin' and your turtle dovin'
Your hugs and kisses and your money too
You know you love me baby, but still you tell me maybe
That some day well I'll be blue

Oh that'll be the day, woo-hoo
That'll be the day, woo-hoo
That'll be the day,
'Cos that'll be the day when I die
SINGING THE BLUES (Endsley - Acuff-Rose-Opreyland
Music)
I never felt more like singing the blues
'Cos I never thought that I'd ever lose your love dear
You got me singing the blues

The moon and stars no longer shine
The dream is gone I thought was mine
There's nothing left for me to do
But cry over you

Oh I never felt more like running away
But why should I go 'cos I couldn't stay without you
You got me singing the blues

WHEN WILL I BE LOVED (Everly - Acuff-Rose-Opreyland
Music)
I've been made blue, I've been lied to
When will I be loved?
I've been turned down, I've been pushed round
When will I be loved?

LET'S WORK TOGETHER (Harrison - EMI United
Partnership)
Together we stand, divided we fall
Come on now people lets get on the ball
And work together, c'mon, c'mon let's work together,
now, now people
'Cos together we will stand, every boy girl and man

Before when things go wrong as they sometimes will
And the world that you're travelling stays over the hill
Lets work together, c'mon, c'mon let's work together,
now, now people
'Cos together we will stand, every boy girl woman and
man

YOU KEEP A KNOCKIN' (Penniman - MCA Music))
You keep a-knockin' but you can't come in

You keep a-knockin' but you can't come in
You keep a-knockin' but you can't come in
Come back tomorrow night and try it again

You say you love me and you can't come in
You say you love me and you can't come in
You say you love me and you can't come in
Come back tomorrow night and try it again

LONG TALL SALLY (Johnson/Blackwell/Peniman -
Southern Music)

We're gonna have some fun tonight
We're gonna have some fun tonight
Everything's all right
We're gonna have some fun tonight
We're gonna have some fun, having some fun tonight
