(RossiYoung)

When I was a little baby boy

Just to sit and play would be my joy

Now I'm oh so big and I'm oh so strong

How I wish to be where I once belonged

When I was an older baby boy

All the girls I wanted were my joy

I would drink my wine, wouldn't miss a night

How I wish that someone had put me right

When I was an older boy

When I was an older boy

When I was an older boy

When I was an older lady's toy

Thoughts of lust and wealth were now my joy

And the years gone by are so far behind

But the memories are still in my mind

When I was a lady's boy

When I was a lady's boy

When I was a lady's boy

When I was a little baby boy

Just to sit and play would be my joy

Now I'm oh so big and I'm oh so strong

How I wish to be where I once belonged

When I was a baby boy

When I was a baby boy

When I was a baby boy
