(Mars Bonfire)

Get your motor runnin'

Head out on the highway

Lookin' for adventure

And whatever comes our way

Yeah darlin', go make it happen

Take the world in a love embrace

Fire all of your guns at once

And explode into space

I like smoke and lightning

Heavy metal thunder

Racin' with the wind

And the feelin' that I'm under

Yeah Darlin' gonna make it happen

Take the world in a love embrace

Fire all of your guns at once

And explode into space

Like a true nature's child

We were born, born to be wild

We can climb so high

I never wanna die

Born to be wild  
Born to be wild  
Get your motor runnin'  
Head out on the highway  
Lookin' for adventure  
And whatever comes our way  
Yeah darlin', gonna make it happen  
Take the world in a love embrace  
Fire all of your guns at once  
And explode into space  
I like smoke and lightning  
Heavy metal thunder  
Racin' with the wind  
And the feelin' that I'm under  
Yeah Darlin' go make it happen  
Take the world in a love embrace  
Fire all of your guns at once  
And explode into space  
Like a true nature's child  
We were born, born to be wild  
We can climb so high  
I never wanna die  
Born to be wild  
Born to be wild
