You say it's over, this time it's goodbye  
Why won't you talk about it?  
Give me a reason why you never try  
You just can't walk out on it

A love collision, the end of the line  
You broke the seal upon our love  
The worst decision you thought at the time  
How did you feel about our love?  
Cos I say you can't get away  
>From what we had yesterday

Don't give it up, don't give it up  
You know my heart's on fire  
Don't give it up, don't give it up  
I'm burning, I'm burning  
Don't give it up, don't give it up  
I'm asking you, don't give it up

You were the woman that no-one could follow  
I never worried 'bout our love  
We lived our lives like there would be no tomorrow  
That was the story of our love  
And I say you can't get away  
My love for you is here to stay

Don't give it up, don't give it up  
You know my heart's on fire  
Don't give it up, don't give it up  
I'm burning, I'm burning  
Don't give it up, don't give it up  
I'm asking you, don't give it up

And I say that you can't get away  
>From what we had yesterday  
There's no chance you can get away  
No I can't let you do that

Don't give it up, don't give it up  
You know my heart's on fire  
Don't give it up, don't give it up

I'm burning, I'm burning for you  
Don't give it up, don't give it up  
Oh I'm begging you  
Don't give it up, don't give it up  
You know my heart's on fire  
Don't give it up, don't give it up  
Don't give it up, stay with me  
Don't give it up, don't give it up  
You know my heart's on fire  
Don't give it up, don't give it up-aca
