

## Status Quo "Down Down"

Get down, deeper and down  
Down down, deeper and down  
Down down, deeper and down  
Get down, deeper and down

I want all the world to see  
To see you're laughing  
And you're laughing at me  
I can take it all from you

Again, again, again, again, again, again, again  
Deeper and down  
Down down, deeper and down  
Down down, deeper and down  
Down down, deeper and down  
Get down, deeper and down

I have all the ways you see  
To keep you guessing  
Stop your messing with me  
You'll be back to find your way

Again, again, again, again, again, again, again  
Deeper and down  
Down down, deeper and down  
Down down, deeper and down  
Down down, deeper and down  
Get down

Get down, deeper and down  
Down down, deeper and down  
Down down, deeper and down  
Get down, deeper and down

I have found out you see  
I know what you're doing  
What you're doing to me  
I'll keep on and say to you

Again, again, again, again, again, again, again  
Deeper and down  
Down down, deeper and down

Down down, deeper and down  
Down down, deeper and down  
Get down
