I wrote a letter  
But I threw it away  
I can't forget you  
That's what I want to say

Anytime or place, just to see your face  
Every time I think of you  
You know it makes me sad  
That you feel this way

'Cause I want you so bad  
And it don't seem right  
That you won't be here tonight  
Every time I think of you

Every time I think of you  
I wanna shout about it  
But waiting's so hard when you live without love  
Oh, oh, every time I think of you

There's nothing left at all  
Only a photograph hanging on my wall  
It was my mistake, but it's my heart that aches  
Every time I think of you

Every time I think of you  
I wanna shout about it  
But waiting's so hard when you live without love  
Oh, oh, every time I

I wrote a letter  
Gotta let you know  
That I still want you  
And I just can't let go

And it still ain't right  
That you won't be here tonight  
Every time I think of you

Every time I think of you  
I wanna shout about it  
But waiting's so hard when you live without love

Oh, oh, every time I think of you

Every time I think of you

Every time I think of you

Every time I think of you
