Nice to see

Nice to see you, I've been feeling so blue
Owning up now 'cos you change my point of view
It's funny how you do what you do

It's a very good sign, a really good line for you

I've been waiting for the heat of the night
Warming up now and you've got me in your sights
So tell me what you want me to do

It's a very good time to tell you I've been thinking of
you

Because you're wonderful baby and you're beautiful,
baby
It's a very good sign, a very good time of life

Let me tell you, you're a woman with style
I've been waiting, but you made it all worthwhile
And all you had to do was to smile

You're a very good sign and everything's fine, my child

'Cos you're wonderful baby and you're beautiful, baby
It's a very good sign, a very good time of life, ooh

Set in my ways I live from day to day happy to be free,
hey
Needing for nothing, always looking for someone who
could make me see
But baby, I was so wrong, I sat here waiting too long
To have you here with me, oh

'Cos you're wonderful baby and you're beautiful, baby
It's a very good sign, a very good time of life

'Cos you're wonderful baby and you're beautiful, baby
It's a very good sign, a very good time of life, oh

Oh, it's a very good sign, oh yeah, a very good sign

Yeah, it's a very good time, oh, very good time

Oh yeah, a very good sign, oh yeah, a very good sign

Oh, it's a very, very good sign, oh yeah, a very good
sign
