No longer will I take what you're doing to me  
A one man woman you'll never be  
Fooling around, leading me on  
You're giving me heartburn

You can't send me high, then leave me low  
With just one look, woman you know  
It's right for you, but wrong for me  
You're giving me heartburn

Under your spell, helpless as can be  
But now I'm stronger, it ain't fantasy  
Living a lie just ain't for me  
You're giving me heartburn

Wo-oh, now I'm living reality  
Wo-oh, you ain't got nothing over me

Heartburn, set me free  
From the heartburn, inflicted on me  
Now I see it can no longer be  
Oh release me, oh-oh-oh  
Heartburn, heartburn, heartburn, heartburn

I can't explain what I felt for you  
I gave all I had, what else could I do?  
No longer can I turn a blind eye  
Because of this heartburn

Now it's come to this, I gotta let go  
My heart's on a string, swinging to and fro  
I can't carry on like this, oh no  
Because of this heartburn

Wo-oh, I've got to face reality  
Wo-oh, I gotta be free, you ain't right for me

Heartburn, set me free  
From this heartburn, inflicted on me  
Now I see it can no longer be  
Oh release me, oh-oh-oh

From this heartburn

Heartburn, set me free  
From the heartburn, inflicted on me  
Now I can see it can no longer be  
Release me, oh-oh-oh  
From this heartburn  
Come set me free  
Oh, release me
