(bown)

i don't remember anymore
i woke up freezin on the floor
my head was buzzin like a saw
i don't remember anymore

she stole the bottle then she said
your eyes were blue and now they're red
i think i'll carry you to bed
i don't remember anymore

i wanna rock and roll, wanna sell my soul
sail the tv round the swimming pool
i want my name in lights a la johnny b. goode
be an all night loon like a ronnie wood

don't read the writing on the wall
cos if i'm having me a ball
i stand around till i fall
and don't remember anymore

i wanna rock and roll, wanna sell my soul
sail the tv round the swimming pool
i want my name in lights a la johnny b. goode
be an all night loon like a ronnie wood
she stole the bottle then she said
your eyes were blue and now they're red
i think i'll carry you to bed
i don't remember anymore

i wanna rock and roll, wanna sell my soul
sail the tv round the swimming pool
i want my name in lights a la johnny b. goode
be an all night loon like a ronnie wood

don't read the writing on the wall
cos if i'm having me a ball
i stand around till i fall
and don't remember anymore

i don't remember anymore

i don't remember anymore
i don't remember anymore
i don't remember anymore
