Doesn't she look so well
With her long black hair and a look says she can tell?
Doesn't she know so well
She can cast a spell with that look of heaven?

In her eyes, in her eyes
In your eyes, your e-e-eyes

Now I can't get to sleep
I dream and dream all the day through
Doesn't seem to matter though
Doesn't seem to worry me

I can't get to sleep
I dream and dream, honest I do
Honest I do, dream of you

Couldn't we be away
On a different day, could be so unusual
Couldn't we try to be
What the others say, what they think they see there

In your eyes, in your eyes
In your eyes, your e-e-eyes

Now I have been a fool
I've been in love, haven't we all?
Everybody does it though
Every time we keep going back again

I've made that mistake
I dream and dream, honest I do
Honest I do dream of you

Wouldn't it feel the same
Is it just a game that we play from time to time
Wouldn't I feel so good
If I understood what I see is written there

In your eyes, in your eyes
In your eyes, your e-e-eyes

Now when towards the end
I'm feeling blue and everything's wrong
Doesn't matter at the time
It doesn't matter this time anyway

I can't get to sleep
I dream and dream, honest I do
Honest I do dream

Oh, I can't get to sleep
I dream and dream, honest I do
Honest I do dream of you, yeah
