(Palmer)

Johnny's always running around trying to find certainty  
He needs all the world to confirm that he ain't lonely  
Mary counts the walls  
Knows he tires easily

Johnny thinks the world would be right if it would buy  
truth for him  
Mary says he changes his mind more than a woman  
But she made her bed  
Even when the chance was slim

Johnny says he's willing to learn when he decides he's  
a fool  
Johnny says he'll live anywhere when he has time to  
Mary combs her hair  
Says he should be used to it

Mary always hedges her bets, she never knows what to  
think  
She says he's still acting like he's being discovered  
Scared that he'll be caught  
Without a second thought

Johnny feels he's wasting his breath trying to talk sense  
to her  
Mary says he's lacking a real sense of proportion  
So she combs her hair  
Knows he tires easily

Johnny's always running around trying to find certainty  
He needs all the world to confirm that he ain't lonely  
Mary counts the walls  
Says he should be used to it
