(GreenAdams)

Me and my baby don't do nothing but laze around all
day long

Me and my baby don't do nothing but laze around all
day long

Yeah, when I'm with my baby
Lazy pokin' going on

She put some coal on the fire so I can keep my poker
hot

She put some coal on the fire so I can keep my poker
hot

Yeah, when I'm with my baby
Lazy pokin' going on

She put some coal on the fire so I can keep my poker
hot

She put some coal on the fire so I can keep my poker
hot

Yeah, when I'm with my baby
Lazy pokin' going
