Easy when you're number one
Everybody say you're having fun
Smiling for the public eye
When your body say you wanna die

Living on an island
Looking at another line
Waiting for my friend to come
And we'll get high

Hugh, he got a real nice place
Cruxie gonna be there soon
And I just want to see his face
I'm getting lonely in my empty room

Living on an island
Working on another line
Waiting for my friend to come
And we'll get high

Passing time away in blue skies
Thinking of the smile in her eyes
Easy, it's easy

Living on an island
Oh boy, we're having fun
Living on an island
Thinking 'bout the things I've done

Living on an island
Searching for another line
Waiting for my friend to come
And we'll get high

Waiting for my friend to come
And we'll get high
I said, "We're gonna get high"
Yeah, we're gonna get high

We're gonna touch the sky
Sky, sky, sky, sky, sky, sky
