Well, if you're ever in los angeles  
And you've got time to spare  
Take a stroll up sunset boulevard  
You'll find the whiskey there  
Gliding round the tables

Long-legged linda is playing the whiskey  
Tonight

She re-arranged my brain-cells  
And took control of me  
So if I miss my plain to jacksonville  
You can guess where I'll still be...i'll be diggin'

Long-legged linda  
She sure was worth the flight  
Long-legged linda is playing the whiskey  
Tonight

Long-legged linda  
She sure was worth the flight

Long-legged linda is playing the whiskey  
Tonight

Long-legged linda  
Long-legged linda  
Long-legged linda  
Long-legged .....
